

Terms and Conditions of Sale

1. Definitions and Interpretation

- 1.1 In these terms and conditions, unless the context otherwise requires:
- (a) "AHI-Carrier" means AHI-Carrier (Australia) Pty Ltd;
 - (b) "Customer" means the Person named in the Sales Invoice;
 - (c) "order" or "purchase order" means any order for or any statement of intent to purchase any goods or services placed by the Customer with AHI-Carrier; and
 - (d) "Sales Invoice" means the sales invoice issued by AHI-Carrier to the Customer.
- 1.2 These terms and conditions:
- (a) Replace all prior terms and conditions issued by AHI-Carrier to Customer;
 - (b) Take precedence over any terms set out in the Customer's purchase order, credit application forms, to the extent of any inconsistency;
 - (c) Any special conditions specified on the Sales Invoice shall, to the extent they are inconsistent with these terms and conditions, take precedence over these terms and conditions; and
 - (d) The expression "Person" includes an individual, a body politic, a corporation, an association (incorporated or unincorporated), a statutory authority or any other authority or persons identified as the Customer.

2. Orders and Technical Specifications

- 2.1 Once an order has been accepted by AHI-Carrier, it cannot be cancelled by the Customer. The supply of goods or services is subject to availability. AHI-Carrier reserves the right to suspend or discontinue the supply of goods or services to the Customer at any time for any reason without liability or penalty. If AHI-Carrier is unable to supply all of the Customer's order, these terms and conditions continue to apply to any part of the order supplied.
- 2.2 It is the customer's obligation to provide full and complete technical specifications along with their purchase order for the goods to be placed into production. Should the customer fail to provide sufficient technical specifications within 15 calendar days of the date of the customer's purchase order, AHI-Carrier reserves the right to revise the price. If the customer fails to provide sufficient technical specifications within 60 calendar days of the date of the customer's purchase order, AHI-Carrier reserves the right to cancel the order without liability or penalty.

3. Pricing

- 3.1 Where a written quotation has been given by AHI-Carrier, the selling price is the price specified in the quotation. In any other case, the price for goods supplied will be AHI-Carrier's list price ruling at the date of shipping and the charge for services supplied will be at AHI-Carrier's prevailing rates at the time of supply. Prices are subject to change without notice and are not binding on AHI-Carrier.
- 3.2 In cases where AHI-Carrier intends to progress bill the Customer for the supply of goods or services, AHI-Carrier will do so on a percentage (%) of completion of works basis and specify the billing schedule in its written quotation. A separate Sales Invoice will be raised for each progress payment in accordance with the billing schedule.
- 3.3 All prices are expressed net of any applicable goods and services tax or value added tax, freight charges, and customs duty that shall be added to the amount to be paid by the Customer unless otherwise specified.
- 3.4 AHI-Carrier will not be bound by any condition attaching to the Customer's purchase order or acceptance of a sale unless AHI-Carrier in writing expressly accepts such conditions.
- 3.5 A quotation is not to be constructed as an obligation to sell but merely an invitation to treat and no contractual relationship will arise until AHI-Carrier has accepted in writing the Customer's purchase order.

4. Payment

- 4.1 The Customer must make immediate payment upon receipt of the Sales Invoice. If the Customer has an approved credit account with AHI-Carrier, payment by the Customer for goods and services supplied must be paid for within 30 calendar days from the date of the Sales Invoice unless otherwise agreed in writing. Time is of the essence in respect of the Customer's obligation to make payment for goods or services supplied by AHI-Carrier to the Customer.
- 4.2 If any part of a Sales Invoice is in dispute, the balance will remain payable and must be paid when due. The Customer has no right to set-off any claim against AHI-Carrier from moneys owing to AHI-Carrier.

5. Delivery

- 5.1 If requested by the Customer, and agreed by AHI-Carrier, AHI-Carrier will deliver the goods to an address specified by the Customer. In such cases:
- (a) the Customer will pay all charges associated with the delivery of the goods;
 - (b) the Customer, or a representative of the Customer must be present at the agreed place and time for delivery and must sign the delivery docket as acknowledgement that the goods and quantities described on the delivery docket have been delivered and comply with the Customer's purchase order;
 - (c) if the Customer or a representative of the Customer is not present, AHI-Carrier may unload the goods at the agreed place for delivery if possible (additional charges may apply), in which case, AHI-Carrier is no longer responsible in any way for the goods;
 - (d) AHI-Carrier's responsibility for delivery ceases at the delivery dock of the delivery address at which point risk in the goods will pass to the Customer. The Customer is responsible for:
 - (i) providing safe and adequate access to and from the delivery dock;
 - (ii) the loading or unloading of goods, and will pay for all damage and injury to any person and to any public or private property which may result.
- 5.2 If Customer nominates their own vessel or vehicle to deliver the goods to the Customer then risk will pass when the goods are loaded onto the Customer's nominated vessel or vehicle and Customer shall be responsible for arranging the insurance of the goods. Where Customer has nominated its own vessel or vehicle for delivery AHI-Carrier will not be liable to Customer for any loss in the event of any failure in delivery or to arrange insurance.
- 5.3 AHI-Carrier reserves the right to deliver in installments and all such installments, where separately invoiced, must be paid for without regard to the delivery of subsequent installments. A part delivery of an order will not invalidate the balance of the order.
- 5.4 While AHI-Carrier will use all reasonable endeavors to meet agreed delivery dates, AHI-Carrier shall not be liable to Customer for any direct, indirect or consequential loss or damage whatsoever should it be delayed or prevented from delivering goods, supplying services, or otherwise performing any of its contractual obligations due to any cause or circumstances beyond AHI-Carrier's reasonable control. Time is not of the essence in relation to delivery.
- 5.5 Subject to clause 5.4, delivery dates must not be varied once they have been agreed, without AHI-Carrier's prior written approval. Should AHI-Carrier agree to postpone delivery, the goods in question will be stored at the Customer's risk and AHI-Carrier reserves the right to obtain payment from the Customer as though the goods in question had been delivered and to impose a weekly storage charge. Where delivery is postponed for more than 3 months, AHI-Carrier may increase any fixed contract prices to reflect AHI-Carrier's then current list price.
- 5.6 AHI-Carrier may at its discretion sell any goods still in its possession 3 months after the mutually agreed deferred delivery date and seek damages for any loss incurred by AHI-Carrier as a result of the deferment in the delivery date.
